## MY DEAR LENTEN PILGRIMS,

We started our Lenten journey here at Mary Queen with a bang! The attendance at our Ash Wednesday masses is a sign that the Catholic Church is very much alive! So, the journey continues. But we want to travel light. We will take something for the journey. We will take Prayer, Fasting and Almsgiving.

Prayer will definitely include Liturgical Prayer especially our conscious and active participation in the Holy Sacrifice of the Mass and other communal activities that we have here at Mary Queen – the Divine Mercy Chaplet, Eucharistic Adoration, Stations of the Cross and the Rosary before or after Mass. If unable to pray communally, these devotional activities may be done alone. In prayer we are ever conscious of the presence of God.

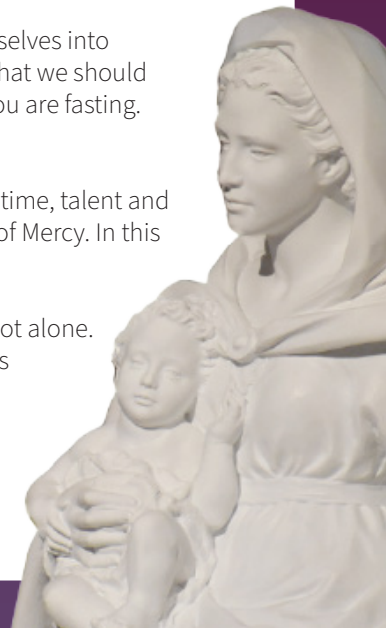

Our fasting will also include abstinence from meat on the Fridays in Lent but let us also not box ourselves into fasting only from food, but also from anything that lessens our time in prayer and the quality time that we should spend with our families. Fasting is a private activity, so it is not necessary to let anyone know that you are fasting. The Father who sees in secret will reward you!

When it comes to almsgiving, I would like you to put this in the context of stewardship. Give of your time, talent and treasure. Depending on what and how you do, you can be doing both corporal and spiritual works of Mercy. In this way you would be ministering to your fellow pilgrims.

As we do this, we will hear God saying to us: Here I am! This will be an assurance to us that we are not alone. God is our travelling Companion! Even now we will begin to experience that burning in our hearts as we travel along.

Your fellow pilgrim,

*Fr. Anthony Aarons*
