

THANK YOU! – YOU'RE WELCOME!

How amazing it is to speak and listen to different languages, and yet, how universal the Church is. We speak only one language, only one Word, which is Jesus; the infinite love of God that binds and unites, heals and forgives, lifts and encourages all of us into this one Holy Family—that could only ever speak the language of love, our common spiritual tongue.

Love is welcome here. You are most welcome here, and I want to thank you for welcoming me here. We are thankful you are here at this beautiful Basilica dedicated to our Mother Mary, Queen of the Universe and Mother of Divine Love. As you experience the warm welcome of our family and friends, share it with one another for this is your Shrine, your spiritual home, your house of prayer. I would like to personally thank you for your kindness in welcoming me. I feel so at home here and blessed to be part of this holy family. It is such an amazing and sacred space.

When Jesus sent out the disciples and encouraged them to go and visit people's homes, He sent them with the Good News of God's love and the peace God offers. Peace is welcome here. God's peace is offered here. May you find your peace here as well. May you encounter the Queen of Peace, the Prince of Peace, the Father's Peace here in your Basilica home and Shrine sanctuary.

You are most welcome here to your spiritual home where peace is lived, love is spoken, and as one holy family, we all get to communicate in and through the Lord, the universal language of God's love.
